EXPERIENCE

CC SOLUTIONS LLC | FINPLIANCE UK LIMITED

Senior Analyst

2016 - present

Specialize in long-term export credit agency and structured financings for projects worldwide in a wide range of industries.

- Managed disbursements of large financings involving ECAs and other agencies such as the U.S. Department of Energy, including a US 3.8 billion methanol plant in the United States, a multi-tranche USD 300 million ECA financing in Saudi Arabia, and a Korea Eximbank financing of a power plant in Turkey, among other. Responsibilities include continuously calculating ECA eligibility in order to maximize ECA facility usage.
- Developed ECA eligibility analyses for two mining and metals mega-projects, one in the United Arab Emirates and another in West Africa. The analyses estimated ECA eligibility for over 11 different ECAs.
- Developed ECA eligibility database covering past and estimated future worldwide procurement for one of the world's largest oil and gas companies. The database cross-referenced procurement amounts arising from tens of thousands of procurement instances with rules and requirements of over 12 different ECAs.
- Worked with a Brazilian contractor and its West African customer to calculate financing eligibility and to develop and implement disbursement and compliance procedures for four construction projects, two with SACE and two with UKEF.
- Prepare and review export credit agency direct and guaranteed loan disbursement packages prior to submission to international agent banks and export credit agencies.
- Interface worldwide with customers, suppliers, financial institutions and ECAs to obtain accurate information, resolve discrepancy issues and manage processing of disbursement requests.
- Prospect new clients in Brazil as part of CC Solutions' business expansion to Latin American countries.
